

# THE SPOT CLUB: MY FAMILY'S STORIES

*A storytelling interview activity*

**The Spot Club began as stories told out loud by a dad to his children in the 1980s.**

Every family has stories. Your job is to find one. Interview an older family member — a parent, grandparent, aunt, uncle, or family friend — and ask them these questions:

**Who did you interview?**

.....

**What is a story you remember from when you were my age?**

.....

.....

.....

**Who told YOU stories when you were little? What were they about?**

.....

.....

.....

**Is there a story in our family that gets told over and over? What is it?**

.....

.....

.....
